

SCAN IT · READ IT · KEEP IT

Seven things worth knowing about your roof.

*Point a phone camera at any code below. The guide opens
on your own screen, and it is yours to keep.*

BEYOND CODE

FORTIFIED Roof

The IBHS standard, what it takes, and what it is worth on a Florida policy.

/Sales/fortified-roof/

SHINGLE UPGRADE

Timberline UHDZ

Twenty percent thicker than HDZ, Class 4 impact, thirty year algae cover.

/Sales/timberline-uhdz/

GOLDEN PLEDGE

Roof Warranties

The GAF ladder, what each tier covers, and who is allowed to offer it.

/Sales/roof-warranties/

ROOF TO WALL

Hurricane Clips

Toe nails to double wraps, what a retrofit costs, and the insurance credit.

/Sales/hurricane-clips/

SEALED DECK

Peel and Stick

The layer under the shingles, and why it decides what a storm costs you.

/Sales/peel-and-stick/

SOLAR VENTING

Attic Breeze

A hundred and fifty degree attic, and what a solar fan does about it.

/Sales/attic-breeze/

WALKING DECKS

The Pli-Dek System

A balcony is a roof. The waterproof deck assembly built to be walked on.

/Sales/pli-dek/

HOW TO USE THIS SHEET

Open the camera app, hold it over a code until a link appears, and tap it. Nothing downloads and nothing signs you up for anything.

Every guide is general information rather than a quote, and each one carries a phone number at the bottom.

ROOFING CCC1326986 · GENERAL CONTRACTOR CGC1525413 · ELECTRICAL EC13015199 · GAF MASTER SELECT CONTRACTOR 1005920
